Continuing Legal Education Credits – Attorneys must complete 12 credits before Dec. 31 each calendar year. CLE credit certifications must be submitted to **CE Broker** at <https://cebroker.com/mi/plans>. All attorneys must have a CE Broker account.

1. Have you completed 12 annual CLE credits during the current calendar year? Yes ___ No ___
2. Do you have less than 2 years of experience practicing criminal defense in Michigan? Yes ___ No ___
3. If Yes to question #2, have you completed any Skills Acquisition Course(s)? Yes ___ No ___

The **Basic Skills Acquisition Course** should be a two day-long (or more) program involving an interactive approach to learning, with objectives set forth in the MIDC’s white paper at pp. 11-12. Typically, these programs involve 16-24 hours of hands-on skills training. The courses do not have to be taken on consecutive days. Hypothetically, an attorney may attend CDAM’s Evidence Boot Camp I on one day in April, then Evidence Boot Camp II in June of the same year. This should satisfy the skills training requirement for the year. Note: time spent in skills training counts towards, and can satisfy, the annual CLE requirement.
