From the desk of the Director

Greetings!

Quality representation is a priority to the Regional MAC Office and helps us adhere to the MIDC Standards when representing indigent clients. As such, we want to ensure that our attorneys continue receiving legal education, as the law changes regularly.

Our roster attorneys should make every effort to complete the required CLE credits by our established deadline. Please make sure you take full advantage of your free SADO and NAPD resources, in addition to the free Wayne County Defender Training courses.

Thank you all for your well wishes on my recent marriage! I appreciate you dearly!

Fighting for equal and fair representation
every step of the way.

MIDC Standard 6

To remain in compliance with MIDC's Standard 6 for Indigent Defense Workloads, the RMACO is actively reporting attorney assignments and docket hours to MIDC on a monthly/quarterly basis to calculate how close attorneys are to their workload maximum and how many assignments and hours remain available for the current year.

For more information, see [MIDC Standard 6](#) or their [FAQ Sheet](#).

Attorney Orientation

Our next Attorney Orientation is Friday, July 17th at 2:00 PM. Please contact us at regionalmac.com for more information.

Applications are being accepted through July 10th and can be found on our website under the Resources tab. Be sure to share this information with other attorneys that are interested in joining our roster.

Attorney Spotlight

We would like to spotlight Attorney Tyron Rucker for securing a NOT GUILTY from a jury trial in December 2025 on 2 counts of Assault & Battery and 1 count of Disturbing the Peace before Judge Mullins in the 28th District Court in Southgate!

Please let us know about your successes so we can showcase you as well!

Hello Summer

This month, we would also like to 'spotlight' (as well as introduce) the newest attorneys to join our roster.

In April, the following attorneys joined us on our mission to provide fair representation to indigent clients in our region.

Michael Bosnick
Kendra Brooks
Britney Carmona

Darby Jensen
Daniel Mercier

We want to extend *a warm welcome* to you all!
Thank you for being here.

Reminder

All of our roster attorneys receive free memberships to both the National Association of Public Defenders (NAPD) and the Michigan State Appellate Defender Office (SADO). There are many resources available with these memberships, such as CLE classes and brief banks. Be sure to use these to their full potential.
